

## 1. Privacy Policy

### 1.1 Overview

DecentPoker is committed to protecting the privacy of our users. As a decentralized service, we prioritize transparency and user control over personal data. Unlike traditional platforms, DecentPoker does not collect, store, or process personal data. All transactions and interactions occur directly on the blockchain, ensuring a trustless and transparent environment.

### 1.2 Data Collection and Use

- DecentPoker does not collect any personal data from users.
- All game-related data is processed and stored on the blockchain, ensuring complete transparency and immutability.
- Users interact with DecentPoker through smart contracts, with all actions and transactions publicly verifiable on the blockchain.

### 1.3 Third-Party Services

- DecentPoker does not share any user data with third parties as no personal data is collected or stored.

## 2. Terms and Conditions

### 2.1 Acceptance of Terms

By using DecentPoker, you agree to be bound by these Terms and Conditions. If you do not agree, you should not use DecentPoker.

### 2.2 Decentralized Nature

- DecentPoker operates as a decentralized application (dApp) on the blockchain.
- There is no central authority or server; all game logic is executed by smart contracts on the blockchain.
- Users are responsible for managing their own wallets and private keys.

### 2.3 User Responsibilities

- Users must ensure they comply with local laws and regulations regarding online gaming.
- Users are responsible for the security of their own wallets and private keys.

- Any loss of funds due to user negligence or malicious attacks on the blockchain network is not the responsibility of DecentPoker.

## **2.4 Modification of Terms**

DecentPoker reserves the right to modify these Terms and Conditions at any time. Users will be notified of significant changes through the platform.

## **3. Disclaimer**

### **3.1 No Warranties**

- DecentPoker is provided "as is" without any warranties of any kind, either express or implied.
- DecentPoker does not guarantee the continuous, uninterrupted, or error-free operation of the service.

### **3.2 Limitation of Liability**

- DecentPoker Labs, including its community members and developers, shall not be liable for any direct, indirect, incidental, special, or consequential damages arising out of or in connection with the use of DecentPoker.
- Users acknowledge that participation in DecentPoker is at their own risk.

### **3.3 Regulatory Compliance**

- Users are responsible for ensuring that their use of DecentPoker complies with all applicable laws and regulations.
- DecentPoker does not guarantee compliance with any regulatory framework.

## **4. Rules**

### **4.1 Fair Play**

- DecentPoker is committed to ensuring fair play. The decentralized nature of the platform ensures that no single party can manipulate the game outcome.
- All game rules are encoded in smart contracts, ensuring transparency and fairness.

### **4.2 User Conduct**

- Users must conduct themselves in a respectful and ethical manner while using DecentPoker.

- Any attempt to manipulate the game, use automated bots, or engage in collusion will result in permanent banning from the platform.

## **4.3 Dispute Resolution**

- Any disputes arising from the use of DecentPoker will be resolved through the consensus mechanisms inherent in the blockchain network.
- DecentPoker Labs will not act as an arbitrator or mediator in any disputes.

## **4.4 Changes to Rules**

- DecentPoker reserves the right to update or change the rules at any time. Changes will be implemented through smart contract updates and will be publicly verifiable on the blockchain.

By using DecentPoker, you acknowledge that you have read, understood, and agree to be bound by these Legal terms. The decentralized nature of the platform ensures that all operations are transparent, immutable, and beyond the control of any single entity, providing a secure and fair environment for all users.
